# WE'RE STRONGER TOGETHER!

## The Y Provides Support to Federal Employees Burdened by Gov't Shutdown.

The Y's cause is to strengthen foundations for our community. In response to the burden of the recent government shutdown on individuals and families in Monmouth County, The Community YMCA and YMCA of Western Monmouth County will offer stress relief to current federal government employees and their families with free access to Y branches for the duration of the shutdown.

Affected families who participate in YMCA before and after care, and preschool in Matawan, and YMCA childcare programs in Freehold may inquire about modified payment arrangements to ensure continued access to childcare support in a safe, supervised environment without disruption to the family routine.

**> To Participate:** Current federal government employees should visit the Welcome Center at the Red Bank Family YMCA, Freehold YMCA or Old Bridge YMCA, and show proof of employment & a valid photo ID. Participants will have access to the same membership benefits as current Y members. For existing Y members impacted, we will waive your month of dues.
