

YMCA Camp Zehnder Bus Safety Rules and Regulations

Campers riding the YMCA bus must follow all YMCA Camp Zehnder rules, the Camper Conduct, and the following specific bus rules:

- > Enter and exit the bus when the driver has given permission. The campers will be seated by age, gender and behavior.
- > Adjust and buckle the seatbelt to fit you and keep it buckled until you are told to unbuckle.
- > Stay seated with your back against the seat.
- > Backpacks/school bags should be held on your lap or placed on the floor between your feet.
- > Keep backpacks/camp bags CLOSE. Leave all items in your bag while on the bus.
- > Please leave all electronic devices at home
- > Use quiet voices, loud noises can distract the driver and make it unsafe to drive.
- > Instigating and/or fighting will not be tolerated. Keep your hands to yourself (You WILL be sent home).
- > Save snacks for camp or home. It is not safe or sanitary to eat on the bus.
- > Keep hands and objects inside the bus. It is not safe to put anything out of the window.

These rules are for the safety of everyone on the bus and the roads. If a camper cannot follow these rules he or she may be suspended from the bus and alternative transportation will become the responsibility of the parent/guardian.
