SCHOLARSHIP PROGRAM | Financial Assistance

The YMCA of Greater Monmouth County is dedicated to helping all communities across families and individuals pursue that notion. Our programs not only help families to live healthier, but also aid in the development of all abilities.

Our scholarship program based on household financial need is funded through the generosity of YMCA donors. To ensure we are responsible with the funds we receive, we ask our applicants to provide documentation to verify household income. Express verification is available to individuals enrolled in several other government assistance programs.

Every member can feel confident that they serve the community equally, responsibly and with care for the well-being of all. Your YMCA is an option for you.

THE Y | The Y Welcomes Youth & Teens

Youth and teens ages 8−13 are welcome to enjoy age-appropriate games, fitness, computers and social time under the supervision of our staff in The Y. Hours may be adjusted for holidays and school closings.
