- Camp Topanemus houses an infirmary to meet our daily healthcare needs. It is staffed by the camp’s licensed RN, along with a full-time registered nurse and specialists from local high schools and colleges, as well as certified teachers who are trained in first aid and CPR. The RN has access to other local health resources if needed.

- Staff complete a background check, attend extensive training prior to the start of the camp, and are CPR and first aid certified.

- Staff-to-camper ratios are in accordance with national standards. We screen and select counselors who are talented, trained role models.

- Camp Topanemus is under the direction of year-round professional directors. Staff-to-camper ratios are in accordance with national standards. Staff work hard, make a difference, build a resume, get paid, and have the best summer of their life, then have them apply to work at Camp Topanemus.

- The Leadership Training Program is a full 7-week program. Separate applications must be completed and accepted for each trip.

- The LT develops values, environmental awareness, leadership, and responsibilities necessary to become a peer leader by participating in various camp activities.
