DEVELOPING LEADERS

CIVIC ENGAGEMENT

Model United Nations (MUN)

12 WKS | FALL • OCT.–JAN. | Grades 6–12

Designed to introduce students to world cultures while debating issues of international importance, students engage in a hands-on environment of learning. They develop innovative thinking and leadership skills, expand their understanding of current events throughout the world and resolve world issues in weekly meetings and at a simulated United Nations Conference.

Youth & Government (YAG)

9 WKS | SPRING • FEB.–APRIL | Grades 6–12

Teens find their voice and gain hands-on knowledge of our state government by writing, presenting, and debating their own piece of legislation at the annual three-day simulation at the NJ-YAG Conference. More than 400 delegates have the opportunity to debate pertinent state issues, engage in servant leadership, and most importantly, forge lifelong relationships.

ONE CIRCLE PROGRAMS

8 WKS | FALL • OCT.–JAN. / SPRING • FEB.–APRIL
Grades 5–8

Girls Council encourages the development of strength, courage, confidence, honesty, and communication skills for girls. The goal is to enhance girls' abilities and positive self-image so they are able to take full advantage of their talents, academic interests, career pursuits, and potential for healthy relationships.

Boys Council is a strengths-based group approach to promote boys' and young men's safe and healthy passage through pre-teen and adolescent years. Boys and young men gain the vital opportunity to address masculine definitions and behaviors and build their capacities to find their innate value and create good lives - individually and collectively.

NURTURING POTENTIAL

Y ACHIEVERS

DURING SCHOOL YEAR | FALL • OCT.–DEC. / SPRING • JAN.–MAY
