Instructions for Completing the Care Plan for Children with Special Health Needs (CH-15)

This Care Plan template is designed to supplement the Universal Child Health Record (UCHR, CH-14). It should be used for children with special health needs (CSHN). The UCHR is designed to be concise and does not provide sufficient space for detailed instructions that a CSHN might need. Use this Care Plan when your instructions for the child's care cannot be fit on to the UCHR. This Care Plan should be utilized as a template that can be adapted as needed. Not all parts need to be completed for some children, but other children may require extra pages to be attached to fully explain the instructions for the child's care.

In order to facilitate communication between the health care provider and the parent, it may be best to complete this form with the parent/guardian present. Parents often have practical knowledge that is important to incorporate into the plan, such as techniques to get the child to cooperate with treatments and specifics about the child care site/school like the hours attended and the resources/limitations of the out-of-home care provider. There is room at the end for optional parent notes and signature that will give permission for communication between the health care provider and the child care provider or school nurse.

Specific Instructions:

1. Complete the Universal Child Health Record (UCHR, CH-14).
2. Attach a copy of immunization record.
3. As appropriate check off the box labeled "Special Care Plan Attached."
4. Complete the Care Plan for Children with Special Health Needs
 - Complete the demographic information.
 - The Primary Health Care Provider is the medical home where the child's complete health records are maintained.
 - Specialty providers and their contact information should be included if the specialists play a major role in the child's health care such as adjusting medication doses.
 - Diagnosis – Include major diagnoses (preferably using lay terminology as necessary).
 - Allergies – Include medication allergies and other significant environmental allergies.
 - Routine Care – Complete the medication information. Include important side effects that child care providers should be watching for both with medications administered at home as well as those given at child care.
 - Describe any Needed Accommodations to particular activities.
 - Describe special diets or feeding techniques which may be needed such as feeding pureed foods, maintaining upright positioning during feeds, following a restrictive diet, etc.
 - Classroom activities – List any modifications needed to allow the child to participate such as extra rest breaks, use of adaptive equipment, etc.
 - Outdoor Activities/Field Trips- List any special precautions needed for class trips such as emergency kits, mobile phones, special vehicles, etc.
 - Special Equipment/ Medical Supplies
 - List special equipment that may be needed such as nebulizers, peak flow meters, glucometers, braces, hearing aids, wheelchairs, apnea monitors, etc.
 - Emergency Care
 - Help the child care providers to understand which signs/symptoms merit calling the parents and which are more serious and indicate that EMS should be activated.
 - Describe interim measures that should be taken while waiting for parent or EMS arrival such as administering an asthma nebulizer treatment or an Epi-Pen.
 - Special Staff Training
 - Are there special trainings that staff should attend in order to care for the child such as medication administration training, first aid/CPR, etc.? Include who might be available to provide such training.

Y-KIDS PROGRAM OBJECTIVES

Our program objectives are to help the children develop to their fullest potential by focusing on:

Confidence and self-esteem building; promoting a healthy lifestyle; fostering responsibility for doing homework and school projects; and reinforcing physical skills.

The program objectives will be met by using:

- Non-competitive games that are challenging and fun
- STEAM (Science, Technology, Engineering, Arts and Math) curriculum to nurture curiosity, inspire creativity and teach kids how to succeed
- Sanford Harmony's Social Emotional Learning Curriculum - As part of Social Emotional Learning (SEL) in our School-age and Camp programs we incorporate the Sanford Harmony Curriculum. This curriculum is designed to help our students and campers acquire, and effectively apply, the knowledge, attitudes, and skills necessary for being a healthy adult. The activities in this curriculum includes problem-solving skills and communication and understanding, as well as teaching kids to embrace diversity and build healthy relationships that will last well into adulthood.
- Arts and crafts activities
- Homework assistance and quiet reflection time
- Outdoor fitness and fun games and activities

Our program goals are:

- To support the family unit
- To provide supervised after school care in a positive and safe environment
- To further enhance each child's growth, focusing on self-awareness, character values, youth development, health living, and social responsibility.

Y-KIDS PROGRAM OPERATING DAYS

The Y-Kids program follows the school calendar. Y-Kids will only be in session on school days. Y-Kids will be closed during holidays and vacations, however, watch for our School's Out Vacation Programs. When your child's school is closed due to severe weather, power outage, emergency situations or for any other reason, the Y-Kids program must be CLOSED! Refunds and/or credits will not be issued under these circumstances.

Early Closings

When school is closed early due to snow, excessive heat, or any other emergency, there will be NO programs available on that day. For such days, please make alternate arrangements for your child(ren) and be sure to make his/her school aware as well.

Delayed Openings

If schools have a delayed opening due to weather or other emergencies, our Y-Kids morning program is CLOSED! Please have an alternative plan in place.

Early Dismissals

All Y-Kids after school programs are available on half days. If the half-day falls on a day that your child is registered to attend the Y-Kids Program, your child is entitled to attend the half-day at no additional cost.

HOMEWORK ASSISTANCE

Students are responsible for bringing their homework to the after-school program to complete during the 45-minute homework period. If a student forgets to bring a book, workbook, etc. to the program, unfortunately, they will not be permitted to return to their classroom to retrieve it. Further, Y-Kids staff are not permitted to enter a child's book bag in search of homework. The children are asked if they have homework, and they are on the "Honor System" to tell us whether they do or don't. Please realize that staff members cannot provide your child with one-on-one assistance nor is Y-Kids considered a tutorial session. Please note: Chromebook is for homework only (no games)

OUTSIDE PLAY

Your child will be taken outside daily to have some fresh air and physical activity. Our standards to go outside are: 32°F and no precipitation. Please dress your child appropriately every day for the weather.

SNACKS

The YMCA does not provide morning or afternoon snacks for our program participants. Please feel free to provide a snack for your child(ren) before and/or after school. Please remind your child(ren) that due to allergies, there will be no sharing of snacks within our program. We appreciate your help in reinforcing this policy on behalf of the children who suffer from various allergies within our programs.

AM SIGN IN POLICY

An adult **MUST** sign his/her child into the morning program every day. This is a requirement that ensures the safety of the child and the integrity of the program. Therefore, failure to comply may result in termination of your child's participation in the Y-KIDS program.

PM SIGN OUT POLICY

An adult **MUST** sign out his/her child from the after-school program every day. This is a requirement that ensures the safety of the child and the integrity of the program. Therefore, failure to comply may result in termination of your child's participation in the Y-KIDS Program.

IF YOUR CHILD IS GOING TO BE ABSENT...

If your child is going to be absent from the Y-Kids program, it is **imperative** that you call our office at 732.566.9266 or site phone prior to noon that day. Our Y-Kids staff expects your child to be there on his/her scheduled days. If your child is expected at the program and doesn't arrive, the program staff must make all attempts to locate your child, which causes stress at the beginning of the program. Parent communication is essential for your child's safety.

RELEASE OF CHILDREN

No child will be released to any person who appears to be physically or emotionally impaired to the extent that, in the judgment of the site supervisor, the child would be placed at risk of harm if released to such an individual. This includes individuals who may seem to be intoxicated or under the influence of narcotics. In such a situation, staff member(s) will attempt to contact the child's other custodial parent, or an alternative person(s) authorized by the parent(s) as a pickup person. It is important to always list two backups other than the parents/guardians on the authorized pick up list. If the center is unable to make alternative arrangements, a staff member will call the New Jersey Division's 24-hour Child Abuse Hotline (1.877.652.2873) to seek assistance in caring for the child.

AUTHORIZED PICK UP PERSONS

Each child may be released only to the child's custodial parent(s) or person(s) authorized by the custodial parent(s) to take the child from the school and assume responsibility for the child in an emergency if the custodial parent(s) cannot be reached. Photo ID will be requested upon pick up.

If a non-custodial parent has been denied access, or granted limited access, to a child by a court order, the center shall secure documentation to that effect, maintain a copy on file, and comply with the terms of the court order. You must have court documentation clearly stating that the individual(s) is not permitted to have access to your child(ren). It is your responsibility to inform the Y-Kids office of any such situation.

LATE POLICY

If you are going to be late picking up your child, please call 732.403.1334. The office will call the Y-Kids site to inform the supervisor and your child of your delay. If you do arrive after 6 p.m., you will be asked to sign out your child and to sign a late pick up form, as well.

In order to end the program day on schedule and to prevent potential difficulties for both staff and children, parents and guardians are asked to comply with these procedures:

- Parents and guardians should identify appropriate alternate escorts who have written permission to pick up a child when necessary. These friends or family members should live or work close to the program site, so that they are available to pick up a child in a timely manner.
- A \$20 late fee will be imposed for every 15 minutes or part of. (Example: 6:01 p.m. – 6:15 p.m. = \$20, 6:16 p.m. – 6:30 p.m. = \$40, etc.) The clock used will be the one in the room of the school where Y-Kids is being held.
- After five episodes of lateness, the YMCA may terminate the child's participation in the program.

POSITIVE DISCIPLINE POLICY

Participation in the Y-KIDS program requires all students to meet certain standards of appropriate behavior. The YMCA adheres to a Positive Discipline Policy which respects the rights of the individual child, the group and the YMCA staff; while focusing on what the children SHOULD do, rather than what they should NOT do. Outlined below are various steps that may be taken if/when a student exhibits poor behavior. If a student demonstrates repeated inappropriate conduct, Y-KIDS has the right to suspend the student, or to dismiss him/her from the Y-KIDS Program. A meeting with the parent/guardian will be conducted prior to such dismissal, as is outlined in the YMCA Expulsion Policy.

The following describes the way inappropriate behavior may be handled within the Y-KIDS program:

1. The site supervisor is responsible for the behavior of the students at his/her school. Should a problem arise, the site supervisor will be the staff person to handle it. His/her methods will be consistent with the age and developmental needs of the child, and should include patience, understanding and kindness.
2. If a student is exhibiting poor, or negative, behavior during an activity, the site supervisor will try to re-direct the student to a new activity to change the focus of his/her behavior. For example, if a student is being disruptive, or touching others, he/she may be asked to sit quietly at a different table, work on a puzzle, collage or drawing. A staff member may point out the consequences of the student's behavior or actions, and remind him/her of acceptable ways to release feelings.
3. If the student does not respond to the above-mentioned methods and continues to be disruptive, or disrespectful, he/she will be asked to be seated on a special "thinking chair" or at a "special table." The student will be able to see what is happening during the program, but will not be able to participate until he/she has regained his/her self-control.
4. As a last resort, and only if the student is so disruptive that the normal daily activities cannot proceed, the parent/guardian may be called and asked to come and remove the child from the program. At that point, the school age director and parent/guardian will have a phone conference to exchange ideas on how to modify the child's behavior. They will need to review his/her social emotional well-being. The student may be suspended from the program at this point to take a break and re-set.
5. If, after returning to school, the child continues to be disruptive and all methods of discipline have been exhausted, the child may be removed from the program permanently, as outlined in the YMCA Expulsion Policy.

Positive discipline is NOT:

- Disciplining a child for failing to eat or sleep or for soiling themselves.
- Hitting or shaking or any other form of corporal punishment.
- Using abusive language, ridicule, harsh, humiliating, or frightening treatment or any other form of

emotional punishment of children.

- Withholding food, emotional responses, stimulation, or opportunities for rest or sleep.
- Requiring a child to remain silent or inactive for an inappropriately long period of time.

A child shall not be deprived of food or water, isolated, subjected to corporal punishment, or required to participate in abusive or excessive physical exercise as a means of punishment by staff.

EXPULSION POLICY

Unfortunately, there are sometimes reasons we must expel a child from our program either on a short term or permanent basis. We want you to know we will do everything possible to work with the family of the child(ren), along with the school district's guidance, in order to prevent this policy from being enforced. The following are reasons we may have to expel or suspend a child from the program:

Causes for immediate expulsion:

- The child is at risk of causing serious injury to other children or him/herself.
- Parent threatens physical or intimidating actions toward staff members.
- Parent exhibits verbal abuse to staff in front of enrolled children.

Parental actions for child's expulsion:

- Failure to pay/habitual lateness in payments.
- Failure to complete required forms including the child's immunization records.
- Failure to renew & replace expired medication/epi-pens.
- Habitual tardiness when picking up your child.
- Verbal abuse to staff
- Verbal abuse to children enrolled within the program.

Child's actions for expulsion

- Failure of child to adjust after a reasonable amount of time.
- Uncontrollable tantrums/angry outbursts.
- Ongoing physical or verbal abuse to staff or other children.
- Excessive biting.

Schedule of expulsion

If after the remedial actions above have not worked, the child's parent/guardian will be advised verbally and in writing about the child's or parent's behavior warranting an expulsion. An expulsion action is meant to be a period of time so that the parent/guardian may work on the child's behavior or to come to an agreement with the program.

- The parent/guardian will be informed regarding the length of the expulsion period and the expected behavioral changes required in order for the child or parent to return to the program.

HARASSMENT, INTIMIDATION & BULLYING (HIB) POLICY

The YMCA of Greater Monmouth County will not tolerate behavior that infringes on the safety of any child. A child shall not intimidate, harass, or bully another child through words or actions. Such behavior includes, but is not limited to: direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; and social isolation or manipulation.

The YMCA of Greater Monmouth County expects children and/or staff to immediately report incidents of bullying to the site supervisor and program director. Staff who witness such acts will take immediate steps to intervene when safe to do so. Each complaint of bullying will be promptly investigated. This policy applies to children during Y-Kids program hours.

To ensure bullying does not occur during Y-Kids before or after school programs, the YMCA of Greater Monmouth County has provided staff development training in harassment, intimidation and bullying prevention and will continue to do so annually.

BABYSITTING/TRANSPORTATION POLICY

Please do not ask our staff members to babysit or transport your child. The YMCA of Greater Monmouth County has a very strict policy that does not allow our staff members to babysit any of the children enrolled in our programs. Our policy also states that staff members are never to transport any of the children enrolled in our programs in their vehicles.

If a staff member were to do either of the above mentioned, his/her employment with the YMCA of Greater Monmouth County would be terminated immediately.

STUDENT ILLNESS

Parents should inform the YMCA of Greater Monmouth County about any illness of their child. If your child has a communicable disease, staff must be told when it first appeared. Please call the YMCA office (732.566.9266) by noon on days when your child is ill or will be absent for any reason. Refunds and/or credits will not be issued due to student illness, vacation or any other reason.

Please do not send a child to the Y-KIDS program if he/she is sick. Not only does this spread illness to other children and staff, but it is also extremely unfair to the sick child.

Any child who has/had the following symptoms within a 24-hour period is NOT allowed to attend the program. Please be considerate of the other children and staff by not allowing your child to attend our program for at least one day after illness:

*temperature over 100°F	*vomiting	*head lice	*Any contagious illness	*Covid 19
*eye irritation	*diarrhea	*unknown rash	*sore throat	

If your child complains of illness during the Y-Kids Program or if the site supervisor feels that the child is ill, the child's parent or emergency person will be contacted and ask that the child be picked up.

MEDICATION PROCEDURES

Staff will administer medication to students if the following criteria are followed:

1. Administered only after receipt of written approval from the child's parent/guardian. A special care plan must be filled out and signed by the parent/guardian, as well as the child's pediatrician.
2. Medication must be prescribed in the name of and specifically for the child.
3. Medication must be in original container, which has been labeled with the child's name, the name of the medication, the date prescribed or updated, and directions for its administration.

Please be advised that if your child has been prescribed an epi-pen for emergencies, YMCA staff must have **TWO** in their possession at all times. Our YMCA staff are specifically trained in epi-pen administration, and will store the epi-pens in a safe location while your child is enrolled in our care. All epi-pens will be returned to you at the end of the school year, or when enrollment ends. Keeping an epi-

pen in the school nurse's office will not suffice, as we do not have access to school offices before/after hours. In addition, should an emergency arise, the epi-pens need to be in close proximity. Also, please help us ensure your child's epi-pens do not expire by providing a new prescription prior to expiration.

Non-prescription, over-the-counter medication will only be given according to the directions on the label. Our staff must check the recommended dosage for the age and weight of the child, as well as the time interval between doses. Our staff will refrain from administering aspirin (due to its association with Reye's syndrome) unless the directions are accompanied by a doctor's note.

If possible, it is requested that the first dose of any medicine be given at home to observe the child for adverse side effects and/or allergic reactions. All medicine must be given directly to a staff member. No medicine of any kind should be left in a child's lunch box or school bag; this includes epi-pens.

VALUABLES AND TOYS

Your child should not bring any cell phones, video games or toys to the Y-Kids Program (for example, trading cards). If your child possesses any of the above described items, they must be kept in their backpack and turned off during program hours. The YMCA reserves the right to confiscate such items—including cell phones, should an attempt be made to either receive or send text, voice, audio, picture or video messages during program hours. Use of a camera feature of any cell phone, digital camera or other similar device is strictly forbidden. If any items are left behind, they will be turned into the school's lost & found. Please check if your child is missing any items on a daily basis.

SOCIAL MEDIA & COMMUNICATION POLICY

The YMCA utilizes email and social media (Facebook: YMCA Child Achievement) to communicate with families; i.e. sharing special projects, important announcements, upcoming events and providing information on emergency delays and closures. The YMCA prohibits parents from posting photos or videos of any child in YMCA care, other than their own. We ask that you please respect other families' privacy and use discretion when utilizing social media. Furthermore, YMCA staff are prohibited from communicating via social media with presently enrolled families.

Additionally, in order to maintain open lines of communication, your child's Y-KIDS Program has been issued a cell phone for the purpose of staff communication with the YMCA main office regarding absences, illness and/or accidents that occur during program hours.

PROGRAM EVALUATION

In order for you and your child to receive the most out of the Y-KIDS Before and After School Program, parents are invited to participate in the evaluation that is conducted twice each year. These evaluations/surveys are sent to parents via email, by a third party company.

PAYMENT POLICIES AND PROCEDURES

Monthly fees are based on 180 days of school and are spread out into 10 equal payments. **Credits and/or refunds will not be issued due to illness, vacation, or closures/early dismissals due to inclement weather.**

FUNDRAISING

During our program year, we will host fundraising events. All money raised through these events will go towards scholarships as well as purchasing extra supplies and equipment for special events at our programs. Participation in these events is on a volunteer basis, but proceeds directly benefit all program participants. We appreciate full participation.
