HERE FOR ALL | Financial Assistance

YMCA of Greater Monmouth County is dedicated to helping all community members access facilities and programs that nurture potential and help families to live healthier together. We welcome all to the Y, regardless of the ability to pay.

Our scholarship program based on household financial need is funded through the generosity of YMCA donors. To ensure we are responsible stewards of available funds and compliant with tax-exempt requirements, we ask our applicants to provide documentation to verify household income. Express verification is available to individuals enrolled in several other government assistance programs.

Every member can feel confident that the Y serves the community equitably, sensitively and with care for the well-being of all.

Visit » ymcanj.org/FA for a financial assistance application.
